

## Breastfeeding. It's a natural part of life.

Nothing should stand in the way of giving your baby the natural experience of breastfeeding and the huge health benefits that go with it. Ask here for your free copy of the *Breastfeeding and your baby* guide or visit [www.health.qld.gov.au/breastfeeding](http://www.health.qld.gov.au/breastfeeding)

**12+months on the breast** ♡ Normal ♡ Natural ♡ Healthy
