

VACCINE DISCARD FORM

- This form is used to report the discarding of vaccines.
- Record all vaccine details, including batch numbers and the number of doses to be discarded.
- Vaccines should not be discarded before expiry date (if date is not specified, expiry date is last day of the relevant month).
- Do not report Cold Chain Breach Discards on this form.
- Vaccines left out of fridge are to be reported as a cold chain breach. Complete form: [Cold Chain Breach Reporting Form \(health.qld.gov.au\)](http://health.qld.gov.au)
- For guidelines on how to discard clinical waste please visit: [ESR/2015/1571 Guideline: Clinical and related waste \(des.qld.gov.au\)](http://des.qld.gov.au)
- Please email the completed form to the Immunisation Program at: QHIP-ADMIN@health.qld.gov.au
