

Contextual Notes for Documents released for DOH DL 12/13-021

- The Chief of Staff does not possess (and never has) a diary in either hard or soft copy.
- Even though a diary is not maintained by the Chief of Staff, he does have a calendar in his Microsoft Outlook account.
- The MS Outlook calendar function is not utilised or maintained by the Chief of Staff as a diary and does not necessarily reflect any meetings/attendances undertaken by him. It mainly reflects what others, in the main, have entered into his calendar (whether he actually attended the appointments or not).

Certain information within the documents was deleted as irrelevant, with the agreement of the applicant.
