

**Oral Fluid Testing  
Forensic and Scientific Services**

<b>Total number of roadside oral fluid samples submitted by QPS for confirmatory testing; 1/1/2015 to 22/3/2016</b>	<b>Total number of samples where no drugs were detected</b>
<b>9,795</b>	<b>49</b>

**Notes:**

Search was carried out on all Oral fluid samples received by FSS in the period 1/1/2015 to 22/3/2016. (Test code TOFRPT). The parameters for the search were date received, laboratory number and the test result for THC, methylamphetamine and MDMA (ecstasy). This information was then sorted to identify the samples where the result of testing was 'Not Detected' for all three drugs, ie where none of the three drugs were detected.
